When leaving the Church premises in a vehicle would you please ensure that you turn immediately left out of the entrance and access City Way via the traffic islands in front of the George Pub. The church has been in contact with the police regarding going straight across onto City Way from our entrance and have been advised, that for safety reasons ,due to the speed of traffic coming down City Way, you are less likely to have an accident and technically you are going round a roundabout the wrong way and could be liable to prosecution.
